## Local Matters.

### Sun and Tide Table.

Rises tomorrow at 6:12 a. m. and sets at 5:19 p. m. High water at 7:24 a. m. and 7:44 p. m.

### Weather Probabilities.

For this section cloudy and threatening tonight and Thursday; probably light rain; fresh northeasterly winds.

### Accused Dismissed.

Some excitement was caused in the Southern Railway yard yesterday afternoon by a difficulty which occurred near the carpenter's shop between F. M. Woodward, a special policeman, and a man named Frederick Brook, during which the latter was struck over the head by Woodward with an iron bolt nearly a foot long. According to the special officer, the man refused to leave the premises when ordered to do so, and after applying an insulting epithet to Woodward was about to assault him when the special officer struck him with the bolt, after which others employed in the yard came to the assistance of the officer. Officers Lyles and Nicholson later appeared and took charge of Brook. The latter in his statement in the Police Court this morning denied having acted in a disorderly or discourteous manner; said he had a note to one of the officials and was seeking a place as car inspector; that he had been working in Norfolk, and arrived here yesterday. He exhibited a pass on a Virginia railroad. He said he was born in England, and had been in this country about three months. Brook had been charged with trespass on the warrant, and Justice Caton dismissed him.

### Circuit Court for the County.

[Judge C. E. Nicol presiding.] Yesterday a compromise was affected in the case of William Wooster, colored, indicted for an assault upon John A. Carpenter, by Wooster paying a fine and the costs of the case, amounting to \$25. Judge Nicol adjourned court till tomorrow in order to go to Leesburg today and open court for Judge Turner, who has been called to Warrenton by the serious illness of his son.

The case of the Commonwealth vs. John Cisco, indicted for an attempt to commit an assault upon Mrs. Bessie Welch, will be called tomorrow. Commonwealth's Attorney Crandall Mackey will represent the State, and Attorneys Machen and Moncre will appear for the defense. Cisco is a native of Austria, and an effort has been made to interest the Austrian minister in his behalf, but it is stated that nothing has been heard from that official in connection with the case. Cisco was employed in a stone quarry on the Virginia side of the Potomac, and it is alleged that several months ago he went to Mrs. Welch's home, which is located near the quarry, and when she resisted he tried to cut her throat with a knife.

### Cameron Run Hounds.

The Cameron Run Hounds met for the first time this season at Quaker Lane at two o'clock October the fifteenth. As usual only a small field turned out to meet the master. Hounds were thrown in on Mr. Alexis Smith's place and ran to the Leesburg turnpike, crossing the farms of Messrs. Cunningham and Cleveland. From there they ran through the farms of Messrs. Slaughter and Rust. Here horses and hounds were given a chance to take a long breath, after which the hounds took up the scent in a big grass field on Hampton farm and finished over those big plank fences we all know about.

Besides the master, Mr. Charles Hoof on the Buck, and the whips on Charity and Jacobel, those well up all the way were Mrs. Courtland Smith, on Up-to-Date, Miss Herbert, on a green one, Miss Chichester, on Commonwealth, and Mr. Cooper Dawson on Neola. There were no accidents to mar the pleasure of the afternoon.

### Will Leave the City.

Bessie Johnson, who lives in the northeastern section of the city, was before the Police Court this morning with three charges against her. Kate Williams alleged that the prisoner had assaulted her, while the officer testified that the woman was drunk on the street and that she kept a disorderly house. Justice Caton gave her the choice of going to jail or leaving Alexandria by sundown tomorrow. She announced that she would be out of the city by that time and was accordingly dismissed.

### Tribute of Respect.

A meeting was held this evening at the residence of Mrs. Herndon, on Prince street, of the Mary Custis Lee Chapter, U. D. C., at which suitable resolutions were adopted in respect to the death of Mrs. Jefferson Davis and loving tributes were paid to her memory. Mrs. Davis was a member of this chapter which is the mother chapter of this organization. The Seventeenth Virginia Regiment Chapter also met this evening and took suitable action concerning the death of Mrs. Davis.

### Fined Ten Dollars.

Gertrude Jones, colored, was a prisoner in the Police Court this morning, she having been arrested by Officers Nicholson and Knight at the instance of Noah Green, colored, who alleged that she assaulted him with a bottle and a lamp. The woman acknowledged that she hurled the lamp at Green, but denied that she had used a bottle as a missile. She alleged that Green had provoked the assault. The woman was fined \$10.

### Royal Arcanum.

There was an interesting meeting of George Mason Council, Royal Arcanum, last night at St. Mary's Hall. Vice Grand Regent Howard G. Avery, of Norfolk, was present. After the business before the meeting had been transacted, the council repaired to Rammel Brothers' restaurant where a feast had been prepared. Speeches were made by several members of the order.

### Death of Mrs. Padgett.

Mrs. R. V. Padgett, widow of William L. Padgett, died at her home in this city at an early hour this morning. Mrs. Padgett was 78 years old. She was the daughter of John W. and Elizabeth Robinson. For many years she had conducted the millinery business here.

The regular monthly meeting of the Board of Police Commissioners will be held tonight.

## Police Court.

[Justice H. B. Caton presiding.]

The following cases were disposed of this morning:

Gertrude Jones, colored, arrested by Officers Nicholson and Lyles charged with assaulting Noah Green, was fined \$10.

Bessie Johnson, charged with keeping a disorderly house, with using abusive language toward Kate Williams and for being drunk on the street, was dismissed upon promising to leave the city.

William Porter, colored, arrested by Lieut. Smith charged with assaulting Fannie Mayers, forfeited \$5 collateral by failing to appear.

Frederick Brook, arrested by Officers Nicholson and Lyles charged with trespassing upon the property of the Southern Railway Company was dismissed.

George Davis, colored, arrested by Officers Beach and Henderson charged with assaulting Addie Woodward, was fined \$5. The complainant was also fined \$5 for improper conduct.

A young white man, arrested by Officers Beach and Nicholson charged with assault, was dismissed.

S. G. Reynolds, arrested by Officer Young charged with conducting the fortune telling business without a license, was dismissed upon promising to procure the same.

### The Robbins Shows.

Besides the standard gray glittering, zoological and spectacular features characteristic of the bigger circuses, the Frank A. Robbins & Co. all new great feature shows, which comes to Alexandria on next Saturday, announce a new historical addition of uncommon pomp and novelty, which will command unusual attention as a splendid and striking innovation. This luxurious and living pageant is termed "The Tribunal of Nations," and its composition seems to justify the comprehensive title. It consists of a number of great and gorgeous floats, drawn by magnificently caparisoned and beautiful horses, upon which appear in heroic groups and royal tableaux representatives of the most famous warriors and rulers of both ancient and modern times, as for example, a living counterfeit presentation of Julius Caesar, of Frederick the Great of Prussia, of Wilhelmina, the present lovely and popular Queen of the Netherlands; of the Emperor of Austria, the kings of Italy, Spain, Sweden, the Mikado of Japan, etc., etc. In short, an object-teaching lesson of richest, rarest and most impressive character.

### Personal.

Mr. G. L. Boothe has gone to Richmond to attend a meeting of the State democratic executive committee.

Mr. F. A. Scrivener continues quite ill at his home on north Pitt street.

Mr. J. T. Boyd is quite sick at his home on Queen street.

Mr. and Mrs. Galaspy, of Camden, N. J., visited Mr. E. T. Peterson, in this city a day or two ago.

Mr. Joseph Hardy, who has recently been confined to his home by sickness, is out again.

### The Plains Bank.

The branch of the Virginia Safe Deposit and Trust Corporation at The Plains was opened on Monday. A cordial invitation had been extended to the stockholders, patrons, their friends and the public generally, to be present and the invitation was accepted by a large number. Representatives of the directory of the home bank in this city were present to meet the patrons of the new institution.

### Insurance Paid.

The Westchester Insurance Company, which held risks on the shipyard property which was damaged by fire on the morning of Sunday, October 7th, and which is represented in this city by Messrs. M. B. Harlow & Company, has settled in full with Mr. Park Agnew and the National Electric Supply Company for the damages they sustained by the fire.

The regular monthly prayer meeting will be held at 7:30 o'clock at the Children's Home on Duke street.

### Death of Mr. Lee.

Mr. Joseph W. Lee, thirty-nine years of age, died yesterday at his home, Woodlawn, Fairfax county. The deceased is survived by a widow and four children. Mr. Lee was a native of Loudoun county, and was a farmer by occupation. The remains will be sent to Winchester for burial by B. Wheatley.
